

Gooney Gunk

Source: The Ultimate Book of Kid Concoctions

Materials:

Solution A

- 1 cup of water
- 1 cup of white glue
- 7 -10 drops food coloring

Solution B

- 1 1/3 cups warm water
- 4 tsp. borax

- 2 large mixing bowls
- Large plastic spoon

Directions

1. Mix ingredients in Solution A in bowl.
2. Mix ingredients in Solutions B in second bowl.
3. Slowly pour Solution A into Solution B
(Do not mix!)
4. Roll solution A around in Solution B and knead for 2 - 3 minutes.
5. Lift solution A out of Solution B and knead for 2 -3 minutes.
6. Store Gunk in airtight container or plastic bag.
